

Bringing Lawyers & Technology Together

ABA TECHSHOW has over 32 years of experience bringing lawyers and technology together. Legal work today is dependent on technology to manage day to day activities, to practice more competently, and to service clients more effectively. ABA TECHSHOW teaches you how technology can work for you. Through the expansive EXPO Hall, CLEs, presentations, and workshops, you will be able to get your questions answered and learn from the top legal professionals and tech innovators, all under one roof. Regardless of your expertise level, there's something for you at ABA TECHSHOW.
